Project	Dates	Status	Notes
Moai Python game	Date	Forgotten	Started originally with Adam and Rayhaan during end of Yr13 to supplement Moai videos & stuff. Fully forgotten, don't really have a chance to work on it again and moved on with lives so many times.
Universe Python package	Date	Forgotten	Decided to work on it as insane Python challenge and my very own Python package which was inspired by "Python: Import universe" memes. However, started focusing much more on other projects and was eventually fully forgotten, also because we wanted collaborators but no one was interested 😕
Leetcode Solution Searcher	8 Mar 2024	Not Played Since	Featured in Programming Projects 2024 vid but not revisited since at all
Work Hours calculator	22 Aug 2024	Not Played Since	Developed at work in July/August 2024. Not really had to use it for a while and created AI version in AI Apps Challenge then (March 2025)
AI Testing agent (og)	30 Aug 2024	Not Played Since	Developed at work in July/August 2024. Not really had to use it for a while and created new version in AI Apps Challenge then (Feb 2025)
